Sports Club & Coach Education Programme

Welcome to the West Dunbartonshire Leisure (WDL) Club and Coach Education Brochure for 2017.

If you are interested in a course that is not outlined in this brochure, please contact Sports Development staff to discuss the feasibility of having this course organised.

We hope these courses will help those already heavily involved in sport, as well as those volunteering and coaching for the first time. The programme could not be developed and delivered without the support of both local and national partners. These partners include **sports**cotland, WDL Active Schools, and WD Club Sport. Their continued contribution is very much appreciated.

West Dunbartonshire Leisure Sports Development would like to wish you all the best in your involvement in sport.

 - subsidising coach/official education up to 50% discount
- 2. Promotion of local clubs through the:
 - Volunteer and Club Award Scheme to recognise and reward clubs, coaches, officials and talented athletes

United Kingdom Coaching Certificate (UKCC)

UKCC is managed through Sports Coach UK and it provides a framework for developing, endorsing and continuously improving sports coach education programmes. Generally, coaching qualifications within the UKCC system begin at Level 1 and can potentially go to Level 4. In having a UKCC award, any coach can be assured they have a nationally recognised qualification.

sportscotland – UKCC Level 1 subsidy

sportscotland recognises the importance of accessible, affordable coaching courses being available to coaches who are involved in sport and currently offer funding towards the cost of UKCC endorsed qualifications. We have committed to further enhancing this process by ensuring that a simple, consistent and targeted approach to The UK Coaching Certificate (UKCC) investment is provided.

Level 1: 40% of full course cost with a maximum value of £100

Level 2: 70% of full course cost with a maximum value of £400
