

## Priority 2

### Objective 2:

Our Environment -  
A Greener Future

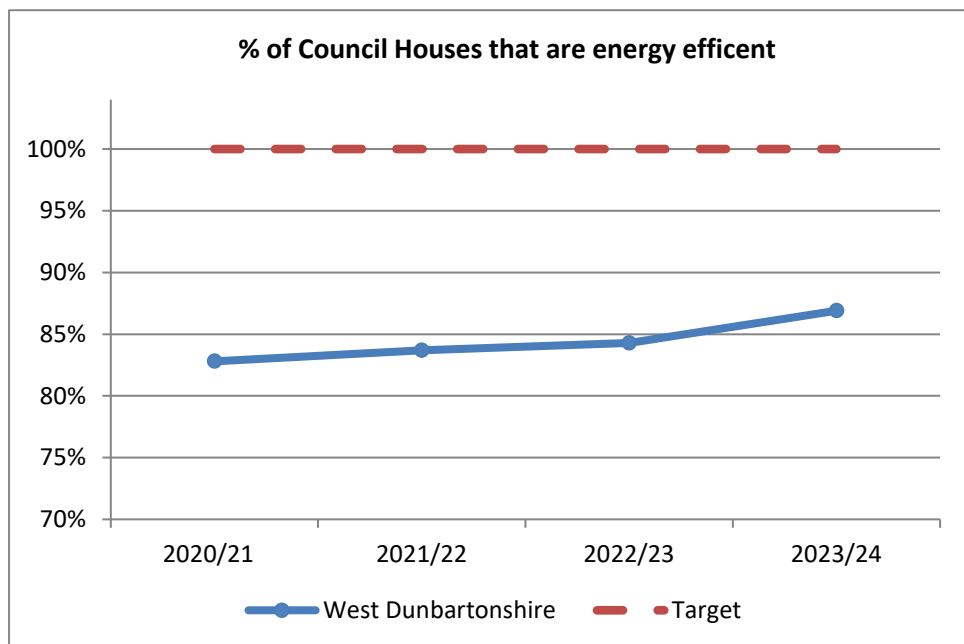

### Indicator:

% of Council Houses that are energy efficient

### Target:

100%

### *What does the data say?*

The data shows that performance has improved in each of the last 3 years, but currently the target is not being met.

Work continues each year to increase the number of homes meeting the energy efficiency standard for social housing EESSH.
