

Priority 2

Objective 2:

Our Environment -
A Greener Future

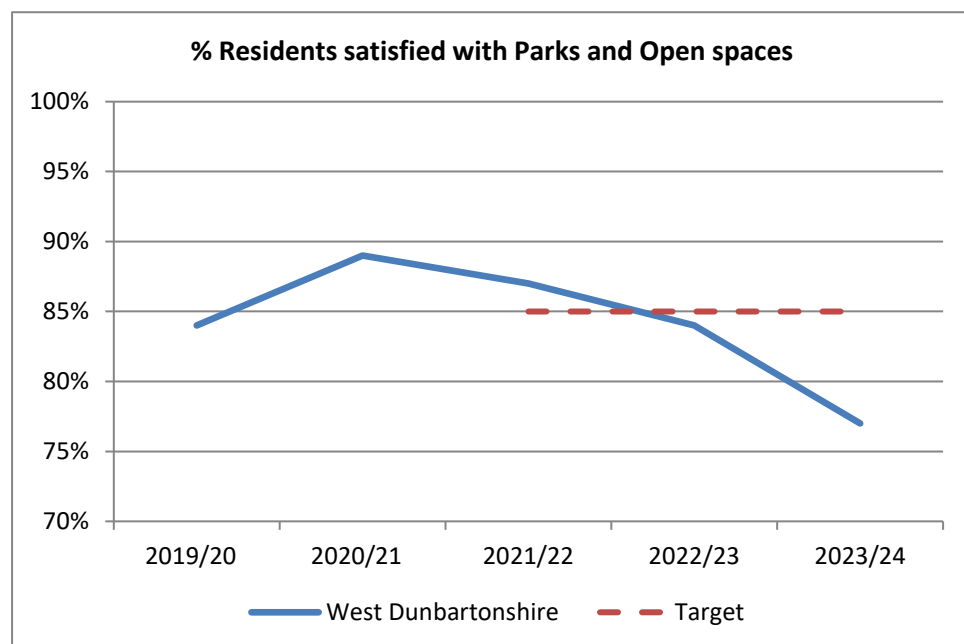

Indicator:

Percentage of residents satisfied with
Parks and Open spaces

Target:

85%

What does the data say?

The data for 23/24 shows that performance decreased 7% from the previous year and the target was missed. Performance has been gradually declining since 2020/21.

There are improvements planned to play park and recreational facilities and this should help improve levels of satisfaction.
