

Priority 3

Objective 3:

Our Economy
-Strong and Flourishing

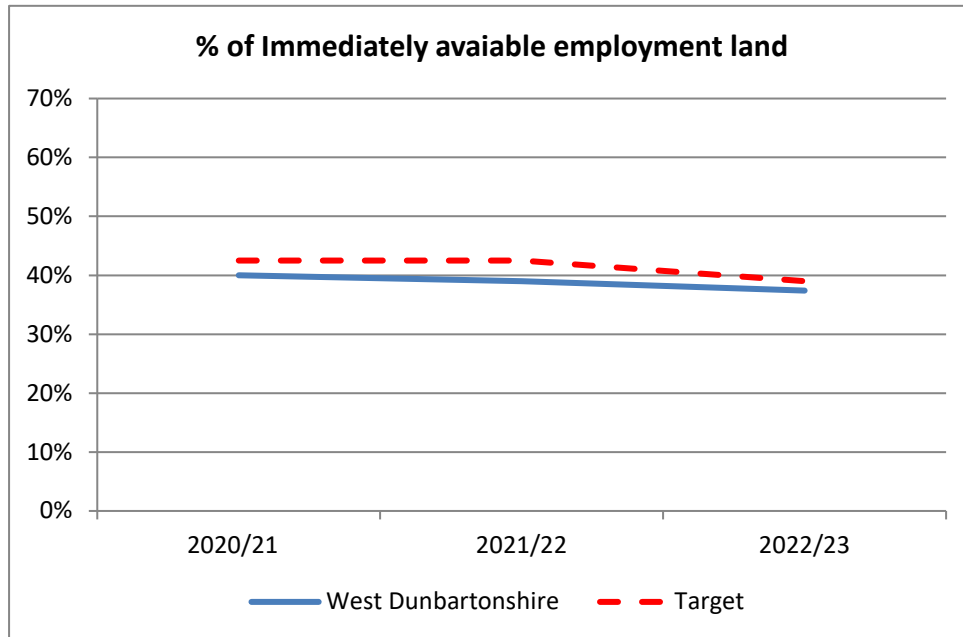

Indicator:

Immediately available employment land as a %
of total land allocated for employment purposes

Target:

39%

What does the data say?

The latest results show that performance has declined slightly from the previous year and that the 39% target was narrowly missed by 1.6%

The small change in immediately available employment land is owing to land in this category being used for the Renfrew Bridge project.
