## Purpose

The Dumbarton Rock Charrette was held from the 25th – 28th February 2015 in Dumbarton Football Club and Dumbarton Burgh Hall, with a follow up event on 26 March 2015. West Dunbartonshire Council were the lead promoters of the charrette, with support from the Scottish Government and Historic Scotland.

Holding a charrette to examine this area of Dumbarton was identified in the recently published Dumbarton Town Centre and Waterfront Revised Urban Strategy and was seen as a way of involving the community in the development of future proposals for the Rock and Castle area. The charrette area focuses on the Rock and Castle but considers the link to the wider town centre and contains the surrounding vacant former industrial sites that have been stalled for a period of time, largely due to the economic downturn. The purpose of the charrette was to involve the community in formulating proposals which transform the image and appeal of the area.

## Aims

The charrette's main aims were to:

- Develop a shared long-term vision for Dumbarton Rock and Castle and its immediate setting
- Identify how Dumbarton can benefit from

the development of the Rock and Castle as a major visitor attraction and from the redevelopment of sites near the Rock

- Establish how Dumbarton's tourism, cultural and heritage asset can be maximised to ensure that all new development contributes to making Dumbarton an attractive place to visit and to live.
- Establish a clear action plan for delivering the projects from the charrette which is consistent with the revised strategy for Dumbarton Town Centre and Waterfront.

## Team

A team led by Anderson Bell Christie Architects was appointed by West Dunbartonshire Council to run the charrette. The team included:

- **West Dunbartonshire Council**
- **Historic Scotland**
- **Anderson Bell Christie Architects**
- **Mike Hyatt: Landscape Architects**
- **Lesley Kerr: Heritage Architecture**
- **Arup : Consultant Engineers**
- **Tourism Resources Company**
- **Ryden: Property Consultants**
- **Kevin Murray Associates: Charrette Facilitation.**

## 2. Event Background and Publicity

The preparation in the run up to the charrette ensured that all of the necessary arrangements were in place for a successful charrette. The Charrette Team worked closely with West Dunbartonshire Council to co-ordinate briefings, outreach to stakeholders and charrette publicity including:-

- Preparation and understanding of detailed baseline information by the Charrette Team
- Securing a central and accessible venue as the main charrette studio and a secondary venue for satellite events
- Early communication with key stakeholder groups
- Preparation and distribution of publicity through multiple networks
- A social media and communications strategy co-ordinated by West Dunbartonshire Councils' Communications Team
- Event planning and programming
- Pre-charrette workshop with two local primary schools

The event was publicised in the mainstream media and on social media, with people able to follow the event on twitter through **#dumbartonrock**. The event was also picked up by national media on BBC Radio Scotland, STV and BBC News website.

The event ran from 25 - 28 February, initially at Dumbarton Football Club on days one and two, and then in Dumbarton Burgh Hall for day 3 and the public exhibition on day 4.

A follow-up exhibition was held on 26 March.

Primary School pupils were involved in Pre-Charrette Workshops.

# 3. Charrette Event

Across the four days of the charrette, there was a sequence of sessions in the programme that took participants progressively from exploring the issues of the area as it is today, to thinking creatively about the future of the place, before creating and testing ideas, building to a development framework and masterplan that the team presented on the final day. This intensive process allows for many people to participate in the creation of a piece of work that could normally take 3 – 6 months, ensuring that stakeholders and the community have had the opportunity to participate directly in the process.

## Programme

The main event ran over 4 consecutive days:

# 4. Charrette Outcomes and Action Plan

## Outcomes - The Action Plan

Following the Feedback Event the Charrette Team met with West Dunbartonshire Council Officers and Historic Scotland to discuss the outcome of the charrette proposals and development of future projects.

A Summary Action Plan was drafted for consideration and comment. This identified Projects, Actions/Steps to Deliver them, Target Timescales and Project Partners for the delivery of each project. It was subsequently discussed and agreed.

The final agreed Action Plan, summarised here, has Projects collected under the 4 key themes developed from the Charrette event. Some projects contribute to more than one theme and some are linked to projects already identified in the Dumbarton Town Centre and Waterfront Revised Urban Strategy 2014 (DTC&WRUS). Where possible, the timescales stated correspond with the timescales in the Revised Urban Strategy.

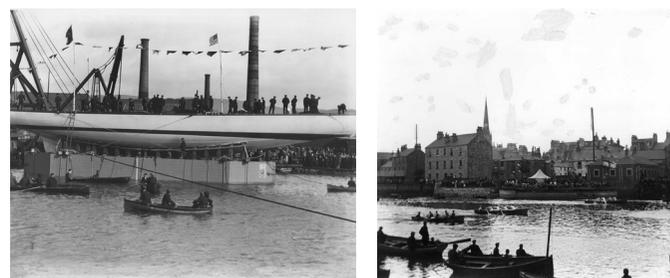

### Project Themes

- **Better Connections** 6 projects
- **The Rock and Castle** 12 projects
- **The Waterfront and Harbour Area** 4 projects
- **The River and Sandpoint Marina** 3 projects

### Priority Projects

Priority Projects were identified that are considered essential to transforming the Charrette area:-

- Create a new waterfront path (1.1)
- Investigate the need, feasibility and sustainability of a multi-functional visitor facility for the Rock and Castle (2.1)
- Provide coach and car parking facilities in and around the Rock and Castle (2.3)
- Undertake Gateway enhancements & protect the setting of the Rock and Castle (2.4)
- Enhance the climbing area (2.6)
- Complete the Castle Improvement Programme (2.10)

Dumbarton's Heritage is a key under-exploited asset

### Projects for Better Connections

- Create a new waterfront path
- Create & enhance links to the new waterfront path from adjoining land uses.
- Improve Signage
- Investigate the feasibility of a Pedestrian Bridge across the River Leven
- Improve links between Rock & Castle and Levensgrove Park by ferry.
- Improve links to National Cycle Network (NCN7)

Develop the Waterfront Path

# The Action Plan - Themed Projects
