During School Holiday

Monday - Friday: 10am - 12pm

West Dunbartonshire Leisure's Child Swim Admission Policy has been developed in accordance with national guidelines and industry standards.

The purpose of this Child Swim Admission Policy is to help safeguard that group of pool users who historically are most at risk of drowning in swimming pools. It is not intended to stop children having fun and enjoying swimming, nor is it intended to make life difficult for parents/carers.

Persons responsible for children under eight years of age in the swimming pool must go into the water with the children they are accompanying and must maintain a constant close supervision of those children.

Special sessions have been programmed which will allow parents to bring additional children.

We thank you for your co-operation.
