What does the data say?

The latest results for 2018/19 show that West Dunbartonshire's performance had decreased by 38 from the previous year.

It has continued to perform below the Scottish average and our statistical neighbour of Inverclyde.

Many indicators focus on academic success, which can vary year on year by cohort. As such, Education, Learning & Attainment carry out trend analyses to ensure improvement over time.

The data for 2019/20 will not be available until February 2021
