

Priority 1

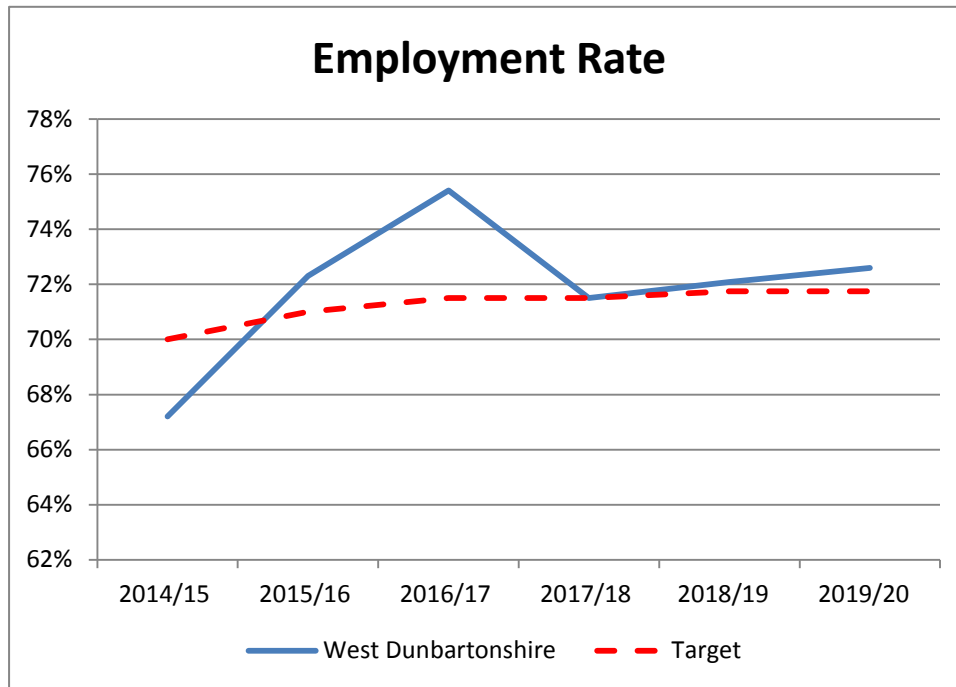

Objective 2:
Increased employment and training opportunities

Indicator:
Employment rate

Target:
72%

What does the data say?

Results show that the employment rate for 2019/20 is an improvement from the previous year by 1% and is also above the target.

Over the course of 2019/20 Working 4U contributed to this result by assisting 353 people to secure employment.
