INTRODUCTION FROM THE CHAIRMAN

On behalf of West Dunbartonshire Leisure Trust (WDLT), I am delighted to deliver our 8th Report of the Trustees as part of the organisation's Annual Report for the year 2019/20.

Firstly the emergence of the COVID-19 virus is the biggest global challenge that humanity has faced for generations. Internationally, we have seen people and governments across the globe face similar challenges and choices.

The World Health Organisation was notified of the first cases of a new disease - COVID-19 and declared the Coronavirus disease (COVID-19) a global pandemic on 11 March 2020.

All WDLT facilities and services (following Government instruction) closed / stopped from end of business on Friday 20 March 2020 and subsequently Scotland, with the other three UK nations, entered lockdown on 23 March 2020.

We took the decision to take advantage of the Government's Coronavirus Job Retention Scheme and furloughed approximately 95% of our total workforce and ensured that everyone continued to receive 100% of their normal pay.

The closure of our facilities and services only came into effect at the end of this financial year however it has still had an impact on our financial accounts and unfortunately will have a huge impact over the coming years. Although these financial challenges that COVID-19 will bring, I am confident as an organisation and with support from the local authority we will meet these challenges head on and through making difficult decisions we will eventually recover and continue to be able to achieve our mission of **'Inspiring Healthy and Active Communities'**.

2019/20 out with COVID-19 has still been a challenging year for WDLT, but we are delighted to report that despite the challenges, in the main we have had another successful year and within this report, we will highlight how as a charity

we have made a difference to the lives of the people and communities that we serve in West Dunbartonshire.

It is heartening to see that in a competitive market with challenging local demographics, WDLT continues to deliver service improvements and exceed targets, agreed in partnership with West Dunbartonshire Council to increase participation in physical activity and sport. Although we saw our facilities close before the end of the financial year we only recorded a minimal reduction in overall attendances by 0.7% from last year, however we did see our community centres and outdoor recreation services attendances increase by 2% each from the previous year.

Finally, I would like to thank everyone who has contributed to the continued success of WDLT during the year: our Trustees, staff, volunteers, funders and partners and in particular West Dunbartonshire Council. Above all I would like to thank the local community, whose interests we serve, for their support and engagement over the past year.

Values

West Dunbartonshire Leisure Trust is an organisation that aspires to the highest standards in everything we do, and we adopt the following six core values to assist us in achieving our mission:

Strategic Outcomes & Priorities

The following highlights what our Key Strategic Outcomes and Priorities are and what we have achieved during 2019/20:

Strategic Outcome: Grow the Business

We will build on our previous successes and maximise new opportunities to increase our business

Financial Re-Investment

- Replacing the Server Hardware and installing a new 2012+ SQL version at a cost of £15k;
- Refurbishment of the Vale Pool Spinning Studio and the purchase of new Spinning bikes at a total cost of approximately £30k; and
- Over the last three years approximately £368k reinvested back into our services.

Increase Participation

- Over 74,000 attendances on our Outdoor Pitches resulting in a 2% increase from last year;
- WDLT's Run Loch Lomond 10k sold out in June 2019 with 1,000 entrants; and
- Over 1.5M visits during 2019/20 resulting in an overall 29% increase over the period of the Strategy.

Increase Health Opportunities

- Delivery of the Vitality Programme in Care Homes resulting in 4,100 attendances;
- Delivery of the physical activity element of the Improving Cancer Journey programme which is a cancer support service for patients living in West Dunbartonshire and
- Delivered the highest retention figures for Live Active GP Referral programme across the whole of the Greater Glasgow & Clyde area.

Clydebank Leisure Centre

- Final draft was produced for the launch of a high quality access video that includes subtitles, BSL interpreter and voice over;
- Income increased overall by 3.4% from 2018/19 and 126% increase over the last 3 years; and
- Approximately 24,500 (7%) increase in attendances from last year and 165,700 (85%) increase over the last 3 years

Our Key Achievements

Following the outbreak of COVID-19 and the forced closure of our facilities from 20 March 2020 and the reduction of customers throughout the month of March has resulted in an overall reduction in our attendances; failure to achieve a number of our Performance Indicators; and being able to successfully deliver a number of our Business Strategy priorities. However we have still seen a small increase in our Community Facilities and Outdoor activities from last year; we have been able to either successfully achieve a number of our Performance Indicators or at least improved on the previous year; and successfully delivered on a number of our Business Strategy Priorities which is demonstrated in the tables below.

Overall Attendances

Over **1.5 million attendances** at WDLT facilities and programmes which is a **7% increase** from 2017/18.

The Unrestricted deficit was £5,039 but at the year end the multi-employer defined benefit pension scheme is in surplus by £1,604,000 and therefore the net surplus for the year is £1,598,961.

Following the eighth year of the Trust, our income has helped us to meet our charitable aims and objectives. Our year-end financial position, summarised above, provides a sound platform from which we can continue to meet our commitments.

The principle funding sources are a combination of income generated through a level of sales, fees and charges for our charitable activities £2,323,945, investment income of £26,389 and membership fees £1,484,785, as well as income of £3,873,790 from West Dunbartonshire Council (Management Fee) for our work in managing the leisure facilities and provision within the local area.

The principle sources of expenditure remain within staffing £6,759,252 with elements of spend on property £1,013,293, transport £32,170, administration £537,473 and payments to other bodies £157,372.

The financial activity during the year within each of the charitable areas can be summarised:

	Income	Expenditure	Surplus/(Deficit)
Leisure Facilities	2,401,173	(4,377,652)	(1,976,479)

Total	7,682,520	(7,715,001)	(32,481)

Fixed Assets

The Trust has a maintenance lease agreement with West Dunbartonshire Council for the use of the buildings linked with the charitable activities and as such the buildings do not belong to the Trust.

Investment Policy

West Dunbartonshire Council manage investments on behalf of the Trust, following their own organisational investment policy, primarily aimed at mitigating risks associated with safeguarding funds, ensuring liquidity of those funds and finally investment return. As a result, the policy aims to invest in cash and cash-like investments up to a maximum level on acceptable counterparties. Activity is monitored regularly and the policy is reviewed annually.

Due to the limited current level of surplus funds, any funds held by the Trust are invested in an interest bearing account held with our bankers, the Clydesdale Bank. In order to increase investment income for the Trust the board agreed to reinvest a sum of £506,181 with West Dunbartonshire Council on 29 February 2020 at a fixed rate of 2.55% for two years with a break opportunity at one year. An additional £250,000 was re-invested on 29 February 2020 for 6 months at a fixed rate of 0.8%.

During 2019/20, interest received on cash balances held at the bank, and the investment with West Dunbartonshire Council was £26,389 (£16,883 2018/2019).

During 2018/19, interest received on cash balances held at the bank, and the investment with West Dunbartonshire Council was £16,883, (£7,608 2017/2018).

Reserves Policy

Total funds at year end were £1,833,199 however this includes the pension liability and as such total unrestricted funds were £2,158,199. The total of £1,422,861 has been designated as per Note 20 and therefore at the year end the general fund balance is £735,338. The reserves policy was reviewed in 2019 by the Audit and Risk Committee and a new percentage based target of 7.5% of total expenditure was agreed by the board in November 2019. The target general reserves would be £584,000 under the new policy however it sitting at £735,338 as at 31st March 2020. The intention of the planned review had been

to reduce the reserves target which was considered to be too high and release funds that could be utilised as a one off saving to WDC in 2021/22 with a one off reduction to the management fee planned for that year. The released funds and a substantial amount of the remaining general reserve fund are however now planned to be used in 2020/21 to offset the loss of income that is projected due to the Covid-19 closure and planned reopening with service restrictions and reduced turnover. The general reserves will therefore sit at under the new target by 31st March 2021.

Risk Management

There are many risks to the Trust's service delivery and these risks can affect our performance, our customers and members of the public.

Managing our risks effectively is essential in achieving our strategic outcomes and targets, creating confidence among service users and the public, and ensuring effective governance. Effective Risk Management also enables us to deliver service improvements taking account of the context and environmental factors.

As the leisure business environment is customer driven and internal and external changes to that environment ultimately influence overall performance risk factors that could have an impact on service delivery require to be identified

on an annual basis, with appropriate actions to minimise such risks.

Therefore the management team ensures an annual risk analysis is undertaken and a Risk Register with appropriate actions is identified to minimise the impact on service delivery and overall performance. This register is reviewed on a six monthly basis and reported to the Audit and Risk Committee who scrutinise the progress of the register and where appropriate report to the Board to assist in managing the risks to the Trust.

The top external risks detailed within the Risk Register for 2019/20 and how they have been managed are as follows:

COVID-19 Risks

A review of the Trust's Risk Register was carried out by Internal Audit in 2019/20 which highlighted that opportunities existed to strengthen internal controls and enhance the service provided. The review recommended for the introduction of a Risk Strategy Policy – documenting the Trust's Leisure Risk Management Strategy which was developed and approved by the Board on 20 February 2020 for implementation in 2020/21.

With the outbreak of COVID-19 and the closure of our facilities and services a COVID-19 Risk Register was developed and agreed by the Board on 28 May 2020. The Register considered risks during lockdown and post-lockdown. The top risks detailed within the COVID-19 Risk Register and how they have/will be managed are as follows:

Management Arrangements

Key Management Personnel

The Directors, who are the Trust's Trustees, and the management team, comprise the key management personnel of the charity in charge with directing and controlling, running and operating the Trust on a day to day basis.

A General Manager is appointed by the Board to manage the day to day operations of the Company. To ensure that operations are carried out effectively, the General Manager has delegated authority within an approved scheme for matters including Personnel; Finance; Procurement; and Operations.

Remuneration of Key Management Personnel

All Trustees give their time freely and do not receive remuneration apart from reimbursement of costs incurred while serving on the board, including travel (within Scotland) and any reasonable subsistence expenses. Details of Trustee's expenses are disclosed in Note 7 to the accounts.

West Dunbartonshire Leisure Trust is committed to ensuring a fair, open, transparent and legally compliant approach to the evaluation of jobs and ensuring equal pay for work of equal value. The Trust's Job Evaluation Policy has been developed to ensure consistency in the evaluation of new jobs and the re-evaluation of existing jobs beyond the initial application of the Scottish Councils' Job Evaluation Scheme (SCJE).

The posts of General Manager and the other managers who make up the management team have all been subject to Job Evaluation to identify the appropriate grade for each post.

Board & Committee Arrangements

The Board meets quarterly to consider Company business with decisions taken to set the overall strategy for the business as well as to monitor its activities. Management are charged with the task of implementing these decisions. The Board can also refer decision-making on Independent Directors, General Manager and Company Secretary recruitment; overseeing company finances; approving financial reports; and disciplinary appeals to sub-committees.

The full board met 6 times throughout the financial year April 2019 to end of March 2020. These meetings were held with management representatives to consider the business of the Company.

It was recognised that the organisations committee structure, roles and responsibilities had evolved over the first few years following inception of the Leisure Trust in 2012. The Board therefore felt it was prudent to undertake a review of the Articles of Association in 2016. Amendments to reflect these changes were agreed by special resolution in September 2016 and the Company Secretary was tasked with updating Companies House and OSCR by submitting the new Articles of Association.

The full Board met on the following dates during 2018/19:

- 23 May 2019;
- 29 August 2019;
- 12 September 2019 (Annual General Meeting);
- 28 November 2019; and
- 20 February 2020

In addition a Special Board Meeting was held on 24 January 2020 to approve a number of voluntary Early Retirement Requests as part of the recommendations of the Community Facilities Review.

Board Committees met in the periods between Board Meetings to consider business and to make formal recommendations to the full Board of Trustees.

Board Committees exist in the following areas:

- **Audit & Risk Committee** – Responsible for monitoring the financial performance of the Trust; for the recruitment and appointment of an external auditor to audit final annual accounts for submission to Companies House and OSCR; the review of the governance of the Trust (including the Articles of Association and Financial Regulations); and the review of major risks with management and agree and scrutinise the annual risk register.

- **Appeals Committee** – Responsible for hearing and determining appeals against dismissal and appeals against all disciplinary action taken by the General Manager and to consider and reach decisions on Stage 3 Grievances by employees in terms of the Trust's Grievance Procedures.
- **Joint Consultative Forum (JCF)** – Responsible for exchanging information between Management and Employees and securing the greatest possible measure of joint action between West Dunbartonshire Leisure Trust and its employees.
- **Health & Safety Committee** – To act as the focal point for all matters relating to the management of Fire, Security and Health and Safety.
- **Nominations & Individual Performance Committee** – Responsible for recommending appropriate individuals for appointment as Independent Trustees and Employee Representative to form the Board. Responsible for the recruitment and appointment of the General Manager and Company Secretary and formally oversees the performance management system for the General Manager.

Statement of Trustees' Responsibilities

The Trustees (who are also directors of West Dunbartonshire Leisure Trust for the purposes of company law) are responsible for preparing the Trustee's Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the Trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that period. In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgments and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue its activities.

The Trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006 and the Charities and Trustee Investment (Scotland) Act 2005 and the Charities Accounts (Scotland) Regulations 2006 (as amended). They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The Trustees are responsible for the maintenance and integrity of the corporate and financial information included on the charitable company's website. Legislation in the United Kingdom governing the preparation and dissemination of the financial statements may differ from legislation in other jurisdictions.

Statement to Auditors

In so far as the Trustees are aware:

- there is no relevant audit information of which the charitable company's auditor is unaware; and
- the Trustees have taken all steps that they ought to have taken to make themselves aware of any relevant audit information and to establish that the auditor is aware of that information.

This report has been prepared in accordance with the provisions applicable to companies'

subject to the small companies' regime of the Companies Act 2006.

Approved by the Trustees and signed on their behalf by:

INDEPENDENT AUDITOR'S REPORT TO THE TRUSTEES AND MEMBERS OF WEST DUNBARTONSHIRE LEISURE TRUST FOR THE YEAR ENDED 31 MARCH 2020

Opinion

We have audited the financial statements of West Dunbartonshire Leisure Trust (the 'charitable company') for the year ended 31 March 2020 which comprise the Statement of Financial Activities, the Balance Sheet, the Cash Flow Statement and the notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 The Financial Reporting Standard applicable in the UK and Republic of Ireland (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the charitable company's affairs as at 31 March 2020, and of its incoming resources and application of resources, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice;
- have been prepared in accordance with the requirements of the Companies Act 2016; Charities and Trustee Investment (Scotland) Act 2005 and regulation 8 of the Charities Accounts (Scotland) Regulations 2006 (as amended).

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the charitable company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report to you where:

- the trustees' use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the trustees have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the charity's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

Other information

The other information comprises the information included in the report and financial statements, other than the financial statements and our auditor's report thereon. The trustees are responsible for the other information. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon. In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

Other information (continued)

If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Opinions on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the report of the trustees, which includes the directors' report prepared for the purposes of company law, for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the directors report included within the report of the trustees has been prepared in accordance with applicable legal requirements.

Matters on which we are required to report by exception

In the light of the knowledge and understanding of the charitable company and its environment obtained in the course of the audit, we have not identified material misstatements in the directors' report included within the report of the trustees.

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 and the Charity Accounts (Scotland) Regulations 2006 (as amended) require us to report to you if, in our opinion:

- adequate and proper accounting records have not been kept; or
- the financial statements are not in agreement with the accounting records; or
- certain disclosures of trustees' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit; or
- the trustees were not entitled to take advantage of the small companies' exemptions in preparing the report of the trustees and from the requirement to prepare a strategic report.

Responsibilities of Trustees

As explained more fully in the Trustees' Responsibilities Statement set out on page 25, the trustees (who are also the directors of the charitable company for the purposes of company law) are responsible for the preparation of financial statements and for being satisfied that they give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the charity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charity or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

We have been appointed as auditor under section 44(1)(c) of the Charities and Trustee Investment (Scotland) Act 2005 and under the Companies Act 2006 and report in accordance with the Act and relevant regulations made or having effect thereunder.

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditor's report.

Use of our report

This report is made solely to the charitable company's members, as a body, in accordance with Chapter 3 of part 16 of the Companies Act 2006, and to the charitable company's trustees, as a body, in accordance with regulation 10 of the Charities Accounts (Scotland) Regulations 2006 (as amended).

Our audit work has been undertaken so that we might state to the charitable company's members and trustees those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charitable company, the charitable company's members as a body and the charitable company's trustees as a body, for our audit work, for this report, or for the opinions we have formed.

NOTES TO THE FINANCIAL STATEMENTS

for the Year ended 31 March 2020

1. Accounting Policies

Basis of preparation and assessment of going concern

The financial statements are prepared under the historical cost convention as modified by Revaluation of Pension Asset, and in accordance with applicable accounting standards in the United Kingdom, the Companies Act 2006 and the Statement of Recommended Practice – Accounting and Reporting by Charities (FRS102) and the Charities Accounts (Scotland) Regulations 2006.

West Dunbartonshire Leisure Trust constitutes a public benefit entity as defined by FRS102.

Following the government imposed shut down of the service on 21st March 2020 due to the Covid-19 pandemic the Leisure Trust has experienced significant loss of income. This has been partially offset on the short term by accessing Government support schemes such as the Corona Virus Job Retention Scheme and the Corona Virus Business Grant. On reopening it is anticipated that a significant downturn in income will be experienced for the next 18 to 24 months. The Council have provided a letter of comfort and has committed to working with the Leisure Trust over the next 18-24 months to regain financial stability.

The Trustees consider that there are no material uncertainties about West Dunbartonshire Leisure Trust's ability to continue as a going concern.

Incoming resources

Membership subscriptions and income relating to Trust activity are recognised in the period in which the Trust is entitled to receipt and the amount can be measured with reasonable certainty. Income is deferred only when the Trust has to fulfil conditions before becoming entitled to it. Management fees and other incoming resources are recognised in the period to which they relate, on an accruals basis.

Investment income is accounted for on an accruals basis.

Allocation of expenditure

Where possible, expenditure is charged direct to charitable expenditure or governance costs. Where this is not possible the expenditure is allocated on a basis consistent with use of the resources.

Charitable expenditure comprises those costs incurred by Trust in the delivery of its activities and services for its beneficiaries. Governance costs include those costs associated with meeting the constitutional and statutory requirements of the

charity and include the audit fees and costs linked to the strategic management and set-up of the charity.

Intangible Fixed Assets

Software costs are capitalised and amortised over a useful life of 5 years.

Tangible Fixed Assets and Depreciation

It is the policy of the Trust to capitalise expenditure of a capital nature in excess of £5,000. Any irrecoverable VAT related to the assets is capitalised and recognised as an expense in the Statement of Financial Activities (SOFA) over the depreciated life of the asset.

Assets donated to the Trust are included in the Balance Sheet and Statement of Financial Activities at deemed cost.

Depreciation is charged to write off the cost less the estimated residual value of fixed assets by equal instalments over their estimated useful lives as follows:

Furniture and equipment: 5 years

Motor Vehicles: 5 years

Stock

Stocks of materials and consumables are valued at the lower of cost and net realisable value in the ordinary course of activities. Net realisable value is based on estimated selling price less further costs to completion and disposal.

Debtors

Trade and other debtors are recognised at the settlement amount due after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

Cash at bank and in hand

Cash at bank and in hand includes cash and short term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

Creditors and provisions

Creditors and provisions are recognised where the charity has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors and provisions are normally recognised at their settlement amount after allowing for any trade discounts due.

Contingent Liabilities

A contingent liability is identified and disclosed for those grants resulting from:

- a possible obligation which will only be confirmed by the occurrence of one or more uncertain future events not wholly within the Trustees' control; or
- a present obligation following a grant offer where settlement is either not considered probable; or
- the amount has not been communicated in the grant offer and that amount cannot be estimated reliably.

Operating Leases

Operating leases are charged to income and expenditure on a straight line basis over the period of the lease.

Employee Benefits

The costs of short-term employee benefits are recognised as a liability and an expense, unless those costs are required to be recognised as part of the cost of stock or fixed assets.

The cost of any unused holiday entitlement is recognised in the period in which the employee's services are received.

Termination benefits are recognised immediately as an expense when the charity is demonstrably committed to terminate the employment of an employee or to provide termination benefits.

Financial Instruments

The Trust only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured by their settlement value with the exception of bank loans which are subsequently measured at amortised cost using the effective interest method.

Pensions

The Trust participates in the Strathclyde Pension Fund by virtue of its status as an 'admitted' body. It is a defined pension scheme and the assets are invested in external funds. In accordance with 'FRS 102 – Retirement Benefits', the operating and financing costs of pension and post retirement schemes (determined by a qualified actuary) are recognised separately in the Statement of Financial Activities. Service costs are systematically spread over the working lives of the members and financing costs are recognised in the period in which they arise. The difference between the actual and expected returns on assets during the period and changes in the actuarial assumptions are also recognised in the Statement of Financial Activities.

VAT

The Trust is partially exempt from VAT. Irrecoverable VAT is charged to the Statement of Financial Activities as an expense.

Taxation

The company is a charitable company within the meaning of Section 467 of the Corporation Tax Act 2010. Accordingly, the company is potentially exempt from taxation in respect of income or capital gains received within categories covered by Chapter 3 of Part 11 of the Corporation Tax Act 2010 and section 256 of the Taxation of Chargeable Gains Act 1992 to the extent that such income or gains are applied for charitable purposes only.

Unrestricted funds

Unrestricted funds are expendable at the discretion of the Board in furtherance of the objectives of the Trust.

Surplus revenue funds held within unrestricted funds are carried forward to meet the cost of future activities, mainly of a revenue nature.

Commitments for specific activities and needs in the future are dealt with by making allocations to designated funds.

Restricted funds

Restricted funds are used for specific purposes as laid down by the donor. Some are restricted income funds expendable at the discretion of the Board in furtherance of a particular activity such as government grants to a particular centre or activity. Expenditure which meets the set criteria will be charged to the appropriate fund.

Judgements and key sources of estimation uncertainty

In the application of the Trust's accounting policies, the trustees are required to make judgements, estimates and assumptions about the carrying amounts of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised where the revision affects only that period, or in the period of the revision and future periods where the revision affects both current and future periods.

2. Incoming Resources

Income is attributable to sporting activity fees and other sales throughout the Trust. In addition, a management service fee of £3,873,790 (2019: £3,897,720) was received from West Dunbartonshire Council for the period. Membership fees is income collected by direct debit membership of the Trust's leisure facilities.

9. Pension Costs

The company is an admitted body of the Strathclyde Pension Fund. The Superannuation Fund is a defined benefit scheme into which employee' and employer's contributions, and interest and dividends from investments are paid and from which pensions, lump sums and superannuation benefits are paid out. Employees' contributions are tiered and employer's basic contributions are assessed every three years by an actuary and are fixed to ensure the fund remains solvent and in a position to meet its future liabilities. The actuarial method used is known as Projected Unit Credit Method. The last actuarial valuation was at 31 March 2011 and following this valuation employer's contributions increased to 19.3% for the years ended 31 March 2013, 2014 and 2015 respectively. Actual employer's contributions for the period 31 March 2020 amounted to £742,569.

In accordance with FRS 102 – Retirement Benefits – a valuation of the fund was carried out at 31 March 2015 by Hymans Robertson, independent actuaries, appointed by Strathclyde Pension Fund. Hymans Robertson calculated the pension assets and liabilities as at 31 March 2020 by rolling forward its full actuarial valuation, allowing for the changes in financial assumptions as prescribed under FRS 102. The main assumptions used in the calculations are:

	31 March 2020	31 March 2019
	% per annum	% per annum
Inflation / Pension Increase Rate	1.8%	2.4%
Salary Increase Rate	2.9%	3.6%
Discount Rate	2.3%	2.5%

Mortality

Life expectancy is based on the Fund's Vita Curves with improvements in line with the CMI 2018 model with an allowance for smoothing of recent mortality experience and long term rates of 1.5% p.a. for males and 1.25% p.a. for females. Based on these assumptions, the average future life expectancies at age 65 are summarised below:

	Males	Females
Current Pensioners	20.7years	22.9 years
Future Pensioners	22.2 years	24.6 years

The major categories of plan assets as a % of the total plan assets are as follows:

In 2019/2020 the Trustees have designated funds of £1,422,861 which comprises tangible fixed assets £281,708, other small projects to deliver sporting activities £63,070, future equipment replacement £562,367, Service Development Projects £286,877 and Surplus Reserves £228,839.

The **Small Projects** fund consists of a number of partially completed projects which are likely to be completed during the next financial year. The fund has been increased in previous years to fund a number of minor upgrade projects to Community Halls and Main Site Leisure Facilities. The only project completed utilising this fund in 2019/20 was the engagement of a mystery shopper service for a further year at a cost of £2,586 to test our sales processes and our customer journey at main sites.

The **Equipment Replacement** fund is being built up to fund the replacement of the gym and fitness equipment at the main sites on a rolling basis. Cardio Vascular (CV) equipment is recommended to be replaced every 5 – 6 years and resistance equipment every 7 – 9 years. As planned a major equipment replacement project was completed in 2018/19 with CV equipment being replaced at the Vale Pool and Meadow Centre. The resistance equipment at these two sites is therefore due to replacement in 2020/2021 and this will be the next large spend from this fund. The new Clydebank Leisure Centre opened in 2017 equipped with all new gym equipment which will therefore be due for replacement from 2022/23. The planned project to replace the spin bikes at the Vale Pool was completed in September 2019 at a cost of £18,928. It is planned to replace the spin bikes at the Meadow Centre in 2020/21.

Service Development Projects fund has been built up to be used for larger projects within the service as per our charitable objectives that will improve the service and/or generate additional income. A number of projects have been completed in 2019/20 including the refurbishment of the Vale Pool spin studio at a cost of £10,928; installing a new telephone system in the Leisure Trust at a cost of £7,200 and a server migration project at a cost of £14,951.

Fixed Assets fund represents the amounts the trust has invested in fixed assets.

Following the application of the new reserves policy a sum of £315,620 was released and designated in the accounts as Surplus Reserves. The related costs of the redundancies (£86,781) which is associated with the Community Facilities Review has been allocated to the surplus reserves fund leaving a balance of £228,839.

Restricted Funds - this represents income and expenditure relating to furloughed staff costs from the Governments Job Retention Scheme.
