1.0 SURVEY OVERVIEW

- 1.1 Respondents were asked to say whether they agreed or disagreed with various statements relating to West Dunbartonshire Council. It should be noted that 'Don't Know' responses have been removed and so the base for each individual question is lower than the overall sample size of 300.
- 1.2 The first five questions are key satisfaction questions and are replicated consistently year on year. The five general statements measure the *Perception of the Council* and ask residents to express satisfaction, or otherwise.
- 1.3 Following on from this, respondents are asked to express their degree of satisfaction or dissatisfaction with a range of Council services and aspects of service delivery. The results are shown in section three below and arranged by service areas.
- 1.4 The respondents answer on a 5 point scale; very satisfied, satisfied, neither satisfied or dissatisfied, dissatisfied and very dissatisfied.
