

Priority 1

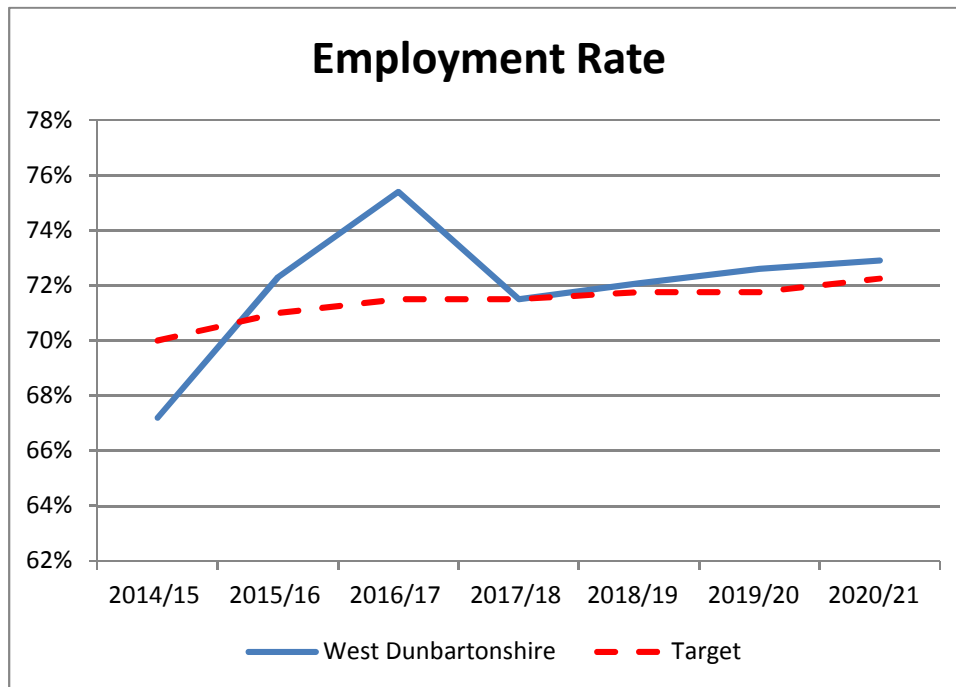

Objective 2:
Increased employment and training opportunities

Indicator:
Employment rate

Target:
72.25%

What does the data say?

Results show that the employment rate for 2020/21 is an improvement from the previous year by 0.3% and is also above the target. Data relates to period Jan- Dec 2020.

Working 4U contributed to this result by assisting people to secure employment.
