

Priority 2

Objective 1:

More affordable and suitable housing options

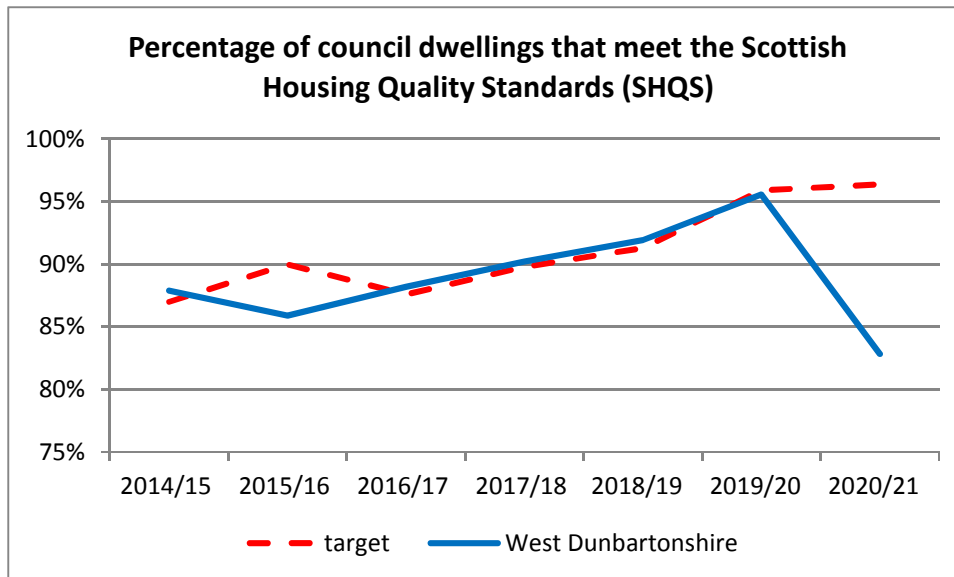

Indicator:

Percentage of council dwellings that meet the Scottish Housing Quality Standards (SHQS)

Target:

96.37%

What does the data say?

In 20/21 the percentage of council dwellings that meet the SHQS standards has fallen short of the target. Over the last year there has been a 12.73% point decrease.

Performance has been largely affected by Covid-19, work is ongoing to improve this position.
