Dear All

Attached is a draft Local Place Plan (LPP) for Alexandria. This was prepared in July and August 2025 by a group led by Alexandria Community Council. Our partners in developing the LPP are The Vale of Leven Trust, Central Alexandria Tenants and Residents Association and Tullichewan Tenants and Residents Association.

The LPP focuses on two sites within Alexandria Town Centre and outlines proposed future use of these sites and recommendation for these proposals to be included in West Dunbartonshire's Local Development Plan.

Please review the document and email any comments to harrymccormack.alexandriacc@gmail.com or post them to:

Harry McCormack (Secretary)

2/1 McGregor Walk, Alexandria,

Please send your response or comments by Friday 24th October 2025.

Many thanks
