Indicator:

Number of people receiving support through
Working 4U with more than one barrier to
employment

Target:

760

What does the data say?

The results for 2024/25 show that performance decreased slightly compared to the previous year, but the target set was met and exceeded.

The 2024/25 target of 760 was surpassed with tailored services meeting the needs of 1507 residents who are furthest removed from the labour market, with a focus on person-centered approaches that provide both immediate support and long-term development opportunities.
