

STATEMENT OF REASONS

West Dunbartonshire Council proposes to make the (Off-Street Parking Places) (Restriction of Use by Vehicle) Order under powers of the Road Traffic Regulation Act 1984.

The purpose of the Order is to preserve the availability of public off street parking places for residents, visitors, shoppers, and public transport users and to prevent their use as storage compounds or operational bases for commercial vehicles and vehicle fleets, to protect visual amenity and to ensure the efficient use of Council parking facilities.
