Amber

Priority 2

Objective 2:	Indicator:	Target:
Our Environment - A Greener Future	% of Council Houses that are energy efficient	92%

What does the data say?

The data shows that performance has improved in each of the last 5 years, but the target for 2025/26 was narrowly missed.

Work continues each year to increase the number of homes meeting the energy efficiency standard for social housing EESSH.
