

Priority 2

Objective 2:

Our Environment -
A Greener Future

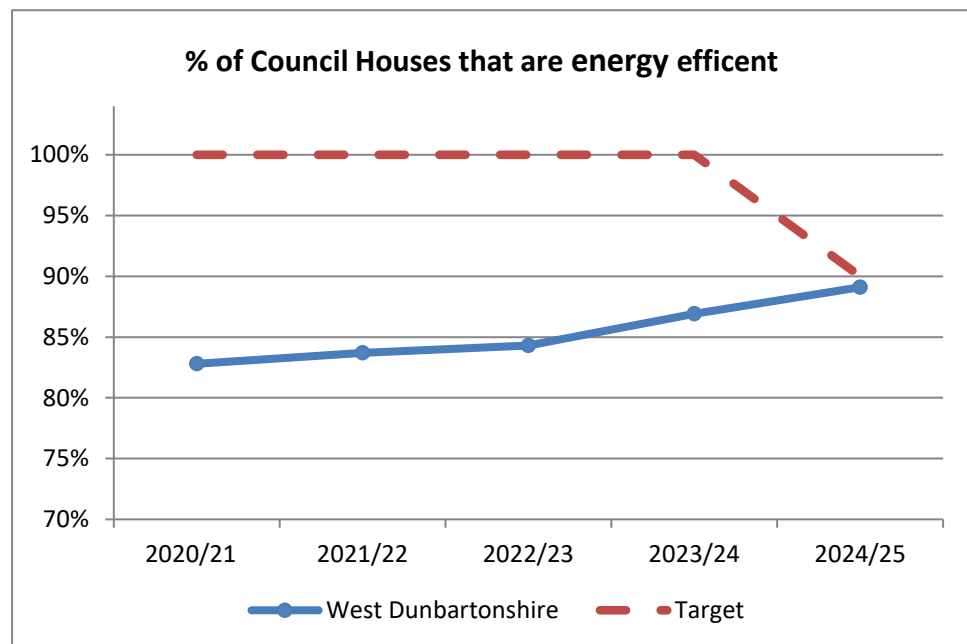

Indicator:

% of Council Houses that are energy efficient

Target:

90%

What does the data say?

The data shows that performance has improved in each of the last 4 years, but the target for 2024/25 was narrowly missed.

Work continues each year to increase the number of homes meeting the energy efficiency standard for social housing EESSH.
