Priority 4:

Our Council – Inclusive
and Adaptable

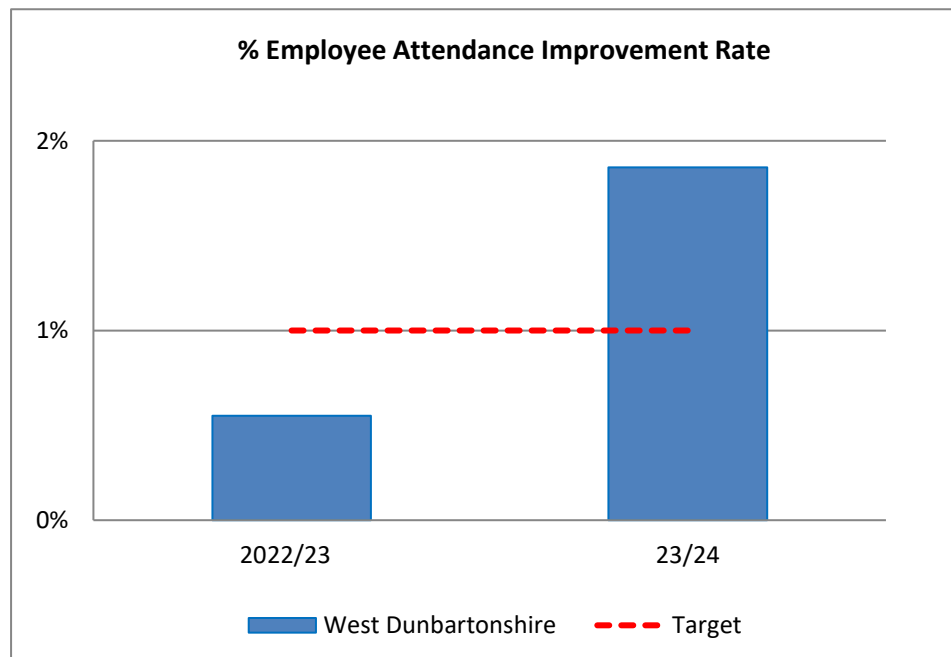

Indicator:

% Employee Attendance
Improvement Rate
(Teachers and Local Government)

Target:

1%

What does the data say?

The results for 2023/24 show that performance increased 1.3% from the previous year and the target was met and exceeded.

A reduction in absences related to Covid contributed to the improved performance in 2023/24. Supporting employee wellbeing will continue to be the approach taken to improve attendance rates.
