

Priority 2

Objective 2:

Our Environment -
A Greener Future

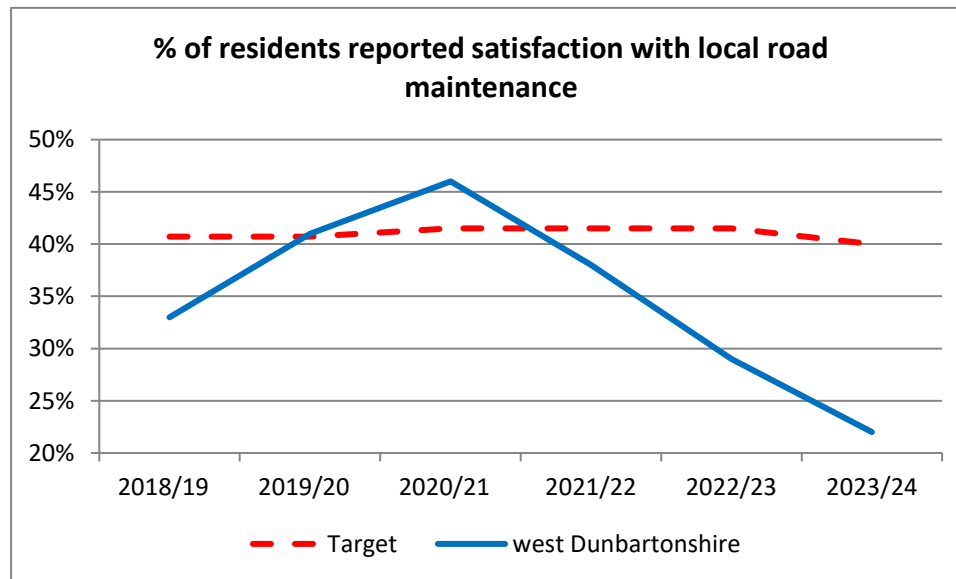

Indicator:

Residents reported satisfaction
with local road maintenance

Target:

40%

What does the data say?

Results for 2023/24 show a decrease in performance and the target set has been missed. Performance peaked in 2020/21 and has been falling each year since.

This data is collected from the WDC resident satisfaction telephone survey of approximately 900 residents.

A review of the performance is underway with a priority action in the Roads and Neighbourhood 2024/25 Delivery Plan.
