Green

Priority 4

Objective 4:

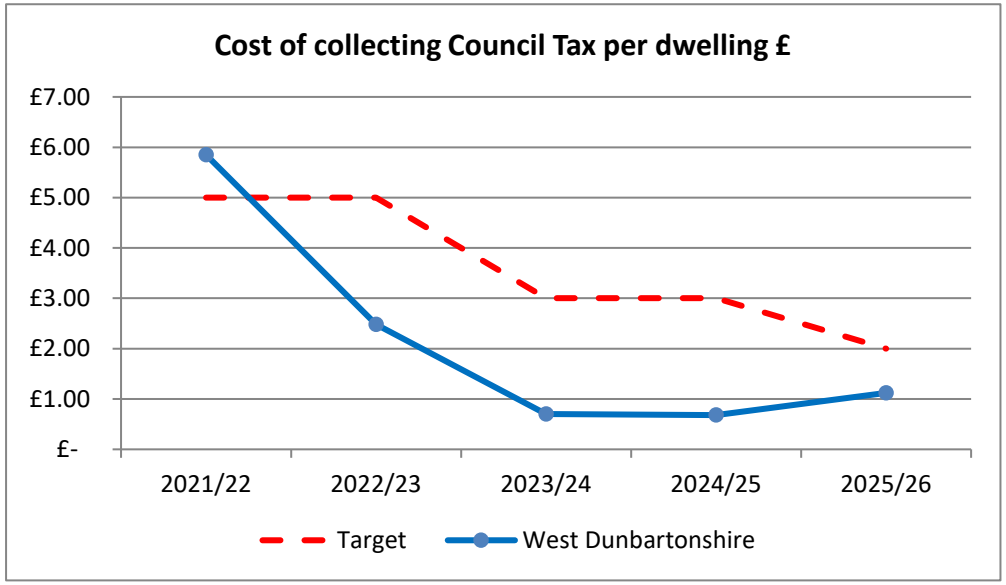

Our Council – Inclusive and Adaptable

Indicator:

Cost of collecting Council Tax Per dwelling £

Target:

£2.00

What does the data say?

Results for 2025/26 show that there was a small decrease in performance with the cost of collecting council tax per dwelling rising slightly from the pervious year, but the target was met.

Recent performance has been positive due to improved processes and increased income from statutory additions.
